Dear Consultee

Antrim and Newtownabbey Borough Council is seeking your views on the Corporate Improvement Plan 2020-21 (Draft for Consultation).

We have identified six areas for improvement and the Plan supports the vision of the organisation and maintains our commitment to become a progressive, smart and prosperous Borough.

We will continue to be inspired and driven by the ambition of our people to make this a reality. The Council is committed to improving the quality of life and environment for everyone who lives, invests, works and visits our Borough.

It has been aligned with the Community Plan and the Corporate Plan 2019-2030 and the successful delivery of this Plan will involve working with a wide range of partners and stakeholders.

During this twelve-week consultation period we want you to provide us with your opinion on the priorities which we have identified in this Plan.

Yours sincerely
