

Dear Consultee

Antrim and Newtownabbey Borough Council is seeking your views on our updated Corporate Plan 2019-2030.

This draft Plan builds upon the work of the Council over the last four years and maintains our commitment to become a progressive, smart and prosperous Borough. We will continue to be inspired and driven by the ambition of our people to make this a reality. The Plan highlights our commitment to provide high quality, efficient and effective public services.

The Council's ambitions reflect our responsibilities to provide resilient and reliable leadership, to improve our environment and encourage and support economic growth and prosperity. We want to engage and empower local communities, improve the lifestyles of our residents and use new and innovative ways of connecting with people to ensure we are making a positive difference in the Borough. These ambitions are underpinned by a culture of high performance and by ensuring the highest standard of governance.

The draft Plan is supported by a portfolio of strategies and actions which will be reviewed every year to track our success and respond to emerging opportunities and challenges.

We acknowledge that a number of objectives can only be delivered through effective partnership working with other organisations and the community. We see Community Planning as the best way of achieving this and we are therefore committed to working with our partners to streamline service delivery and share resources.

As a Council we want to ensure we are doing all that we can to provide a Borough that we can all be proud of and services that rank with the very best.

The consultation starts on 31 January 2019 and the closing date for responses to the consultation is 25 April 2019.

We would very much like to hear your views and you are invited to complete the consultation online at:

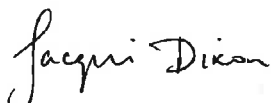

<http://www.antrimandnewtownabbey.gov.uk/Consultations>

Or by contacting James Porter on 028 9034 0088 or by email james.porter@antrimandnewtownabbey.gov.uk

The Corporate Plan 2019-30 is available in a range of formats upon request.

We look forward to hearing from you.

Yours sincerely

Jacqui Dixon, BSc MBA
Chief Executive
